**SCHOOL MAKE-UP DAY!**

**MONDAY APRIL 25** Texas school law requires schools to maintain a minimum school day calendar each year. With the day we lost to ice and cold weather in February, we will now need to make up one day of school. The day designated for this will be set for **MONDAY APRIL 25** (Easter Monday)). Please adjust your plans so that your child is in attendance on this day, as it is a required school day. Thanks!

**Scholastic Aptitude Testing (SAT)** week will be **April 11-15**, so **please plan to have your child present all week (No other outside appointments)** so that teachers can complete the testing process and so results can be available in May. Please see that your student is well-rested and has a good breakfast, and students may bring a snack to eat during test breaks. The middle school students are off on Monday April 11 to recover from their trip, and will begin testing on Tuesday. Thanks—you for your cooperation! Scores will be available late in May.

**PSIA (Private School Interscholastic Association)** academic competitions were held in Harlingen on April 2. St. Paul participated with 6 other area schools. We had 11 students finish first or second in their categories and qualify for the State meet on May 14. They are: **Stacy Manrique, Francisco Lopez, Carlos Gonzalez, Imani Geary, Blythe Romero, Sunidhi Jain, Carolina Elizondo, Daniela Garcia, Parker Weaver, Natalie Glaspar, Catalina Alvarez, and Steffy Carillo**. Congratulations to these winners and to all who participated, and thanks to our parent drivers and workers. We will continue to participate next year! Thanks to our teachers for the preparation work they did with the students as well! Great job!

**Wed. April 27 is Administrative Professionals Day.** Our thanks to **Mrs. Scott** and **Mrs Wedel** for all they do in the office to make our school function day to day!
